The Profit before tax stood at Rs. 2320.91 Lacs as against Rs. 896.66 Lacs for the previous year. The Net Profit stood at Rs. 1687.70 Lacs as against Rs. 685.50 Lacs for the previous year.

3. FUTURE OUTLOOK:

The major demand for hydraulic products usually comes from major manufacturing countries like U.S.A, Germany, Italy and UK which are badly affected by the pandemic due to which the market has been affected negatively.

Although economic activity witnessed a rebound towards the end of 2020 until now, COVID-19 is expected to have a lasting impact going forward, as many countries and sectors are going through an uneven recovery. While the current recovery is well supported by ongoing vaccination programme, new variants of the virus continue to pose concerns on the outlook.

India is one of the fastest growing markets for hydraulic components like valves, cylinders, accumulators, pumps, hydraulic hoses, filters, etc. Most foreign MNCs in fluid power are already present in India, with some of them here for a long time. The long term outlook of the hydraulic industry continues to be promising. However, the technology used is constantly evolving and there is a need to continuously develop products in line with changing market needs. By increasing the manufacturing base, your Company expects to better the revenues with improved margins in the coming years.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT**INDUSTRY STRUCTURE AND DEVELOPMENTS:**

Products that use liquid fluid power for their operations are referred to as hydraulic products and hydraulic liquid is pumped to cylinders and motors through the machine and is pressurized considering the resistance. The hydraulic equipment holds on to constant force irrespective of change in speed of the operation. The global hydraulics market size is estimated to be USD 42 billion in 2022 and is projected to reach USD 50 billion by 2027 with a CAGR of 3.8%. Asia Pacific region held the largest share of the hydraulics market in 2021 because of the rapid urbanization and industrialization and hydraulic cylinders accounted for largest share of hydraulics market in 2021.

The major demand for hydraulic products usually comes from major manufacturing countries like U.S.A, Germany, Italy and UK which are badly affected by the pandemic due to which the market has been affected negatively. Although economic activity witnessed a strong rebound towards the end of 2020, COVID-19 is expected to have a lasting impact going forward, as many countries and sectors are going through an uneven recovery. While the current recovery is well supported by ongoing vaccination programme, new variants of the virus continue to pose concerns on the outlook.

OUTLOOK:

The rising demand for material handling equipment, growing potential of construction industry and expansion of process industries are the major factors driving the growth of the hydraulics market and technological advancements leading to increasing demand for smart hydraulic products is promoting the growth of hydraulics equipment.

Hydraulic equipment are mobile and industrial. Mobile hydraulic equipment are used in moving objects such as cranes, loaders, dumpers, bulldozers, and similar other machines, whereas industrial hydraulic equipment are used in industries, including packaging, paper, plastic, and printing.

Development of construction & mining industries, automation in agriculture, and expansion of new manufacturing facilities have boosted the demand for hydraulic equipment. To meet the increasing demand, manufacturers of hydraulic equipment have adopted several strategies to expand their product portfolio and offer better service to their customers. Such strategies boost the demand for technically advanced hydraulic equipment, thereby promoting the growth of the market.

OPPORTUNITIES:

The development in infrastructure and construction segments has increased the demand for hydraulic products and the increase in the usage of automated solutions in various industries is driving the demand for the hydraulics market. Integrating electronics with hydraulic cylinders is driving an increase in accuracy, functionality, and improvements in controlled performance and ease of use.

Development of construction & mining industries, automation in agriculture, and expansion of new manufacturing facilities have boosted the demand for hydraulic equipment.

RISKS AND CONCERNS:

The rise in raw material prices and any slackness in implementation of various infrastructure projects may slow down the demand. Increasing competition from cheaper imports, may impact the Company's market-share and volumes.

Rise in the input costs such as Power, Human Resources, and drop in demand due to unforeseen adverse market conditions, technological obsolescence are issues of concern and may put pressure on the performance of the Company.

Hydraulic products operate on hydraulic fluids and various factors that lead to oil leakage in hydraulic products is a major concern for environmental issues. Replacement of hydraulic equipment with electro-mechanical systems has restrained the hydraulic equipment market growth.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has adequate Internal Control Procedures commensurate with the size of the Company.

We have also examined compliance with the applicable clauses of Secretarial Standards issued by The Institute of Company Secretaries of India (ICSI) which the Company is in process of adopting.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines and Standards except for filing of Form MGT-14 with the Registrar of Companies for the resolution passed to Increase the Remuneration to Executive Director approved in the Board Meeting of the company.

We further report that

The Board of Directors of the Company was constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice was given to all directors to schedule the Board / Committee meetings, agenda and detailed notes on agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

During the period under review, resolutions were carried through majority. As confirmed by the Management, there were no dissenting views expressed by any of the members on any business transacted at the meetings held during the period under review.

Based on the information, documents provided and the representations made by the Company, its officers during our audit process in our opinion, there are adequate systems and processes exist in the Company commensurate with the size and operations of the Company, to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

The compliance by the Company of the applicable financial laws, labour laws, filing of periodical returns, maintenance of financial records and books of accounts have not been reviewed by us since the same have been subject to review by Statutory Auditors, Internal Auditors and other professionals.

Under the situation of COVID-19 Pandemic prevailing during the period when the audit was conducted for the year 2021-22, all the documents, records and other information were provided in soft copies and we have verified and checked electronically as provided by the management.

Independent Auditor’s Report

To
Board of Directors of Veljan Denison Limited.

Report on the audit of the Financial Results

Opinion

We have audited the accompanying financial statements of **VELJAN DENISON LIMITED** (“the company”), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (herein after referred to as “the financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the accompanying standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor’s responsibility for the Audit of Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key Audit matters are those matters that in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to communicate in our report.

Key Audit Matters	Auditor’s Response
<p>Valuation of inventory</p> <ul style="list-style-type: none"> The value of inventory, as at the balance sheet date amounts Rs.45.34 crores accounting for 33.29% of total current assets. Inventories are considered as key audit matter on account of its significant proportion in the total current assets and it involves judgement in its valuation, taking into account the obsolescence and measuring inventories at the lower of cost and Net realizable value. Inventory comprises of Raw Materials, Finished Goods, Stock in Process and Stores and Spares and Jigs and Fixtures and pattrens. 	<p>Our Procedures included</p> <p>To address the risk for material error on inventories, our audit procedures inter alia include:</p> <ul style="list-style-type: none"> Assessing the compliance of company’s accounting policies over inventory with applicable accounting standards; Assessing inventory valuation processes and practices, in some locations we tested effectiveness of the key controls; Evaluating the assessments made in relation to slow moving and obsolete stock. We assessed the adequacy of company’s disclosures related to inventories

Other Information

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard

Management's Responsibility for the Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(I) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

Annexure – B to the Independent Auditor's Report

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of VELJAN DENISON LIMITED of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of The KCP Limited (“the Company”) as of 31st March 2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial Statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March 2022, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES AND KEY ACCOUNTING ESTIMATES AND JUDGEMENTS:**1. Significant Accounting Policies:****1.1. Statement of Compliance:**

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standard) Rules, 2015 notified under section 133 of the Companies Act 2013, amendments there to and other relevant provisions of the Act.

1.2. Basis of Preparation of Financial Statements:

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as specified under section 133 of the Companies Act 2013 and other relevant provisions of the Act.

These Ind AS Financial statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been consistently except where a newly issued accounting standard is initially adopted or a revision to an existing standard requires a change in the accounting policy hither to in use.

The financial statements are presented in INR which is also the Company functional currency and all values are rounded to the nearest Lakhs (INR 00,000) except when otherwise indicated.

1.3. Classification of Assets and Liabilities as Current and Non Current:

The Company has determined its operating cycle as 12 months for the purpose of classification of current and non-current assets and liabilities. This is based on the nature of product and the time between the acquisition of inventories for processing and their realization in cash and cash equivalents.

Deferred tax assets and deferred tax liabilities are classified as non –current assets and liabilities.

1.4. Use of Estimates & Judgments:

The estimates and Judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances.

1.5. Property, Plant and Equipment – Tangible Assets:

- i. Property, Plant and Equipment other than land are stated at cost less accumulated depreciation and impairment losses if any. Cost comprises of purchase price and any attributable cost of bringing the assets to its working condition for its intended use.
- ii. Capital Work In Progress in respect of assets which are not ready for their intended use are carried at cost, comprising of direct costs, related incidental expenses and attributable interest.
- iii. Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- iv. Depreciation on Fixed Assets is provided on ascertained useful life of assets under Straight Line Method (SLM) prescribed in Schedule II of the Companies Act, 2013 except assets costing Rs. 5,000 or less on which depreciation is charged @100% in the year of acquisition.
- v. The Company follows the policy of charging depreciation on pro-rata basis on the assets acquired or disposed off during year.

1.6. Intangible Assets:

Intangible assets are stated at cost less accumulated amortization. Cost includes any expenditure directly attributable on making the asset ready for its intended use.

Intangible assets are amortized over their useful life.

1.7. Impairment of Assets:

The carrying values of assets/cash generating units at each balance sheet date are reviewed for Impairment if any indication of impairment exists. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value.

Recoverable value: Recoverable value being higher of value in use and fair value less cost of disposal. Value in use is computed at net present value of cash flow expected over the balance useful life of the assets. An impairment loss is recognized as an expense in the Statement of profit and loss in the year in which an asset identified as impaired.

Cash & Cash Equivalents:

For the purpose of presentation in the statement of cashflows, cash and cash equivalents includes cash on hand, deposits held at call with principal institutions, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Trade Receivable:

Trade Receivables are recognised initially at fair value and subsequently measured at amortised cost using effective interest method, less provision for impairment.

1.8. Inventory:

Inventories of raw materials, consumable stores and packing materials are valued at cost on weighted average method, finished goods and work in progress are valued at cost on weighted average method or realisable value whichever less. Jigs & Fixtures and patterns are valued after providing for amortisation at 20% and 10% respectively

under written down value method. Initial tools were capitalised and amortised at 10% on written down value and further issue of tools are charged to revenue as and when issued.

1.9. Financial Instrument:

A Financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

a. Financial Asset:

Initial recognition and measurement:

All financial instruments are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through statement of profit and loss transaction costs that are attributable to the acquisition of the financial asset, purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place are recognized on the trade date i.e. the date that company commits to purchase or sell the asset.

Subsequent Measurement:

For the purpose of subsequent measurement financial assets are classified as measured at:

- 1) Amortised cost
- 2) Fair value through profit and loss (FVTPL)
- 3) Fair value through Other Comprehensive Income (FVTOCI)

Financial Asset measured at amortized cost:

Financial Assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flow and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost using effective interest rate (EIR) method. The EIR amortization is recognized as finance income in the statement of Profit & Loss.

The company while applying above criteria has classified all the financial assets (except investments in equity share) at amortized cost.

Financial Assets Measured at fair value through other comprehensive Income:

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets collecting contractual cash flow that are solely payment of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI) interest income measured using the EIR method and impairment losses, if any are recognized in the statement of Profit and loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the statement of profit and loss.

Financial Assets at fair value through profit or loss (FVTPL):

Financial Asset are measured at fair value through profit & loss if it does not meet the criteria for classification as measured at amortized cost or at FVTOCI. All fair value changes are recognized in the statement of profit & loss.

Derecognition of Financial Assets:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of Financial Assets:

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the debt instruments, that are measured at amortized cost e.g., loans, debt securities, deposits, trade receivables and bank balance.

Expected credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive.

The management uses a provision matrix to determine the impairment loss on the portfolio of trade and other receivable. Provision matrix is based on its historically observed expected credit loss rates over the expected life of the trade receivables and is adjusted for forward looking estimates.

Expected credit loss allowance or reversal recognized during the period is recognized as income or expense, as the case may be, in the statement of profit and loss. In case of balance sheet, it is shown as reduction from the specific financial asset.

b. Financial Liabilities:**Initial recognition and measurement:**

Financial liabilities are recognized initially at fair value plus any transaction cost that are attributable to the acquisition of the financial liability except financial liabilities at FVTPL that are measured at fair value

Subsequent Measurement:

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial Liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.

Financial Liabilities at amortized cost:

Amortized cost for financial liabilities represents amount at which financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortization using the effective interest method of any difference between the initial amount and the maturity amount.

All the financial liabilities of the company are subsequently measured at amortised cost using effective interest method.

Derecognition of Financial Liabilities:

A financial liability shall be derecognized when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

1.10. Foreign Currency Transactions:

The functional and presentation currency of the Company is Indian Rupee. Transactions in foreign currency are accounted for at the exchange rate prevailing on the transaction date. Gains/losses arising on settlement as also on translation of monetary items are recognised in the Statement of Profit and Loss.

1.11. Borrowing Costs:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are recognized as an expense in the period in which they are incurred.

1.12. Revenue Recognition:

Revenue is recognized when the significant risks and rewards of universal ship are transferred to buyer. Revenue can be reliably measured and it is probable that future Economic benefits will flow to the Company.

a. Sale of Products:

Revenue from the sale of goods measured fair value of consideration received or receivable net of returns, trade discounts and allowances, and excluding taxes collected on behalf of Government.

Effective 1st April 2019, the company has adopted Indian Accounting Standard 115 (Ind AS 115) "Revenue" from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. 1st April 2018. The effect on adoption of Ind-AS 115 was insignificant.

b. Interest Income:

Interest on deposits with Government departments and financial Institutions are recognized in statement of profit and loss when the right to receive/receivable during the period.

1.13 Employee Benefits:

Short-term employee benefits are expensed as the related service is provided. A Liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

a. Defined Contribution Plans:

Contribution towards provident fund for employees is made to the regulatory authorities, where the company has no further obligations. Such benefits are classified as defined Contribution schemes as the company does not carry any further obligations, apart from the Contributions made on a monthly basis.

b. Defined benefit plans:

Gratuity liability is defined benefit obligation and is provided on the basis of an actuarial valuation on projected unit credit method made at the end of each year. The Company funds the benefit through contribution to LIC.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in other comprehensive income (OCI) net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset). Net interest expense and other expenses related to defined benefit plans are recognized in Statement of profit and loss.

1.14. Taxes on Income:**Tax expense comprises of current and deferred tax:**

a. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Tax Act.

b. Deferred tax is recognized in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is measured

based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that it is probable that future taxable profits will be available against which the asset can be utilized.

1.15. Provisions:

Provisions are recognized when, as a result of past event, the Company has a legal or constructive obligation; it is probable that an outflow of resources will be required to in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

1.16. Contingent Liabilities:

Contingent Liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that arises from past events where it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably.

1.17. Claims:

Claims against the Company not acknowledged as debts are disclosed after a careful evaluation of the facts and legal aspects of the matter involved.

1.18. Offsetting:

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

1.19. Earnings per share:

The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares.

1.20. Cash flow statement:

Cash flows are reported using the Indirect method. Whereby profit for the period is adjusted for effects of transactions of a non-cash nature. Any deferrals are accruals of past or future operating cash receipts or payments and item of Income or expenses associated with investing or financing cash flows. The cash flows from operating investing and financing activities of the company are segregated.

1.21. Segment Reporting:

The operations of the company are related to one segment i.e Hydraulic equipment.

1.22. Events after Reporting date:

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period., the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

1.23. Recent Accounting Pronouncements:**Ind AS 116 – Leases:**

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company has adopted Ind AS 116 – Leases, using “Modified retrospective approach” with effect from 1 April 2019 and accordingly these financial statements are prepared in accordance with the recognition and measurement principles laid down in Ind AS 116. Also, the application of IND AS 116 did not have any significant impact on the financial statements considering the number of assets under operating lease arrangements of the company.

At the date of commencement of lease, the Company recognises a Right-of-use asset (“ROU”) and a corresponding liability for all lease arrangements in which it is a lessee, except for leases with the term of twelve months or less (short term leases) and low value leases. For short term and low value leases, the Company recognises the lease payment as an operating expense on straight line basis over the term of lease.

Right-of-use assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortised cost at the present value of the future lease payments.

aa) Standards issued but not yet effective:

The Ministry of Corporate Affairs has vide notification dated 23 March 2022 notified Companies (Indian Accounting Standards) Amendment Rules, 2022 which amends certain accounting standards, and are effective 1 April 2022. These amendments are not expected to have a material impact on the Company in the current or future reporting periods and on foreseeable future transactions.

1.24. Critical Accounting Estimates and Judgments:

The preparation of financial statements is in conformity with generally accepted accounting principles which require management to make estimates and assumption that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the result of operations during the reporting period. Although these estimates are based upon management’s best knowledge of current events and actions, actual results could differ from these estimates. Revisions in accounting estimates are recognized prospectively.

The areas involving critical estimates or judgments are:

Estimates of useful life of property, plant and equipment and intangibles

Measurement of defined benefit obligation

Recognition of deferred taxes

Estimation of impairment

Estimation of provision and contingent liabilities

Valuation techniques with significant unobservable inputs:

This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The following table provide the fair value measurement hierarchy of the company's assets and liabilities.

The Company's activities expose it to market risk, credit risk and liquidity risk. Company's overall risk management focus on the unpredictability of financial markets and seeks to minimize potential adverse effects on the financial performance.

I Market Risk:

Market risk is the risk of loss of the future earnings, fair values or future cash flows that may result from a change in the price of a financial instruments. The value of a financial instrument may change as a result of changes in the interest rates. Foreign currency exchange rates, commodity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including instruments and deposits, foreign currency receivables, payables and borrowings.

II Commodity Risk:

Commodity price risk arises due to fluctuation in raw material (fifer prices) linked to various external factors, which can affect the production cost of the Company. The Company actively manages inventory and in many cases sale prices are linked to major raw material prices. These risks are reviewed and managed by senior management on continuous basis.

III Credit Risk:

Credit risk arises when a customer or counterparty does not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk its operating activities (primarily trade receivables) and from its financing / investing activities including deposits with banks. The company has a prudent and conservative process for managing its credit risk arising in the course of its business activities. The company is receiving payments regularly from its customers and hence the Company has no significant credit risk.

IV Liquidity Risk:

Liquidity risk is defined as the risk that the company will not be able to settle or meet obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The Company's treasury team is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's liquidity position through rolling forecasts based on expected cash flows.

V. Technology Risk:

The Company operates in a highly technical field with constant innovation and continuous evolution in technologies used. The company mitigates this risk through regular contact with customers, regular reviews of new technological trends, continuous improvement and investment in its manufacturing practices, along with investments in research, design, and development.
